## INVITATION

Dear Sir / Madam

**Subject: Official Invitation of 2010 International Mathematics Competition (IMC 2010)**

We are pleased to inform you that we, on behalf of Korea Republic, will host 2010 International Mathematics Competition (IMC 2010) during 25-29 July 2010 in Korea Republic.

The objectives of IMC 2010 are:

1. to organize an international mathematics competition for key stage II (upper primary education) and key stage III (lower secondary education) students.
2. to motivate students and teachers to improve the teaching and learning of mathematics and high-order thinking skills.
3. to establish cooperation networks of international mathematics improvement.
4. to provide students with opportunities to exchange mathematics knowledge and practice, and cultural experiences among participating cities.
5. to upgrade school curriculum concerning mathematics to international standards.

The competition comprises key stage II & III divisions. We warmly invite you to nominate up to 4 teams for each division. A team consists of 1 team leader, 1 deputy leader, and up to 4 students. Key stage II team students should not enroll at secondary schools or at any equivalent institutions, and should be born on or after 1 September 1997. Key stage III team students should not enroll upper secondary education or any of its equivalence, and should be born on or after 1 September 1994.

We will provide all official expenses for up to 4 teams of each invited city or country, including meals and accommodation during the period of the official program (25-29 July 2010). Each team will be responsible for the travel expenses from the participating city or country to Korea. Enclosed please find detailed information of the competition and the application form for your information. One application form is for only one team, and should be submitted to us via email within the specified date. ( E-mail : [2010imc@hanmail.net](mailto:2010imc@hanmail.net) or [ccmp@seed.net.tw](mailto:ccmp@seed.net.tw) )

Your kind cooperation in conveying this information to the authorities concerned would be greatly appreciated.

2010/04/30.
